

## Aquasurf® Executive Lavatory WEL-2311

✓	MODEL NUMBER	NUMBER OF STATIONS	PEDESTAL TYPE
	WEL-2311	1	WALL

### Recommended Specifications

Solid surface lavatory shall be Willoughby Aquasurf® Executive Lavatory Model No. **WEL-2311**. The lavatory shall accommodate one user at a time. The lavatory shall have an integral backsplash and bowl overflow. Heavy-gauge stainless steel wall carrier (fasteners by others) shall be supplied with lavatory. Each Executive Lavatory mounted at standard height shall comply with ADA Accessibility Standards without an offset drain.

Aquasurf® Executive Lavatory bowl shall be constructed of molded cast polymer densified solid surface material composed of polyester/acrylic resin, UV stabilizer and aluminum trihydrate and mineral fillers. The Aquasurf® solid surface material is resistant to stains, impact, and burns. Surface damage can be easily repaired with everyday cleansers and/or fine grit abrasives. Deck can be drilled (by others) for 4 inch or 8-inch centerset, or centershank

faucet (supplied by others). Deck-mounted soap dispenser (by others) can be used when using most 4-inch centerset or centershank faucets.

#### **ADA, TAS, UFAS and ANSI Compliant:**

When the deck is mounted at standard 34" rim height it is compliant with applicable ADA, TAS, UFAS and ANSI Z124.3 and Z124.6 accessibility guidelines.

#### **Optional Features:**

Aquasurf® Executive Lavatories are available with a variety of optional accessories including 4" centerset faucet, centershank infrared faucet, chrome-plated 1 1/4" grid strainer/tail piece assembly with overflow connection and stainless steel trap enclosure.
