Recommended Specifications

Solid Surface Shampoo Bowl shall be Willoughby Aquasurf® Shampoo Bowl, Model No. **WSB -1911**. The shampoo bowl shall accommodate one user at a time. The Aquasurf® WSB-1911 shall have a contoured neck rest.

Aquasurf® WSB-1911 shall be constructed of molded cast polymer densified solid surface material composed of polyester/acrylic resin, UV stabilizer and aluminum trihydrate, mineral fillers, and proprietary colorant. The Aquasurf® solid surface material is resistant to stains, impact, and burns. Surface damage can be easily repaired with everyday cleaners and/or fine grit abrasives.

The following are included with a standard bowl: stainless steel 3¹/₂" basket strainer and drain, and wall mounting bracket (less wall mounting hardware). An optional single handle multi-temperature faucet with removable hand-held sprayer and vacuum breaker is available.
