

WILLOUGHBY

1700 Series

Exceed the specification
with the premier all-in-one.

A true space maximizing unit, the very compact and versatile 1700 Series patient care unit features a freestanding, fully welded type 304 stainless steel cabinet and a 14 gauge stainless swivel toilet rated to support static loads up to 2500 pounds. Its non-porous solid polymer panels and Aquasurf® solid surface countertop make it ideal for ICU/CCU rooms, or anywhere space is at a premium.

Stainless steel cabinet.

The 1700 series features a fully welded, type 304 stainless steel cabinet.

Solid polymer panels.

The cabinet's exterior is overlaid with solid polymer doors and panels.

Stainless steel toilet.

The swivel toilet has been tested to withstand a 2500 lb. weight capacity.

Aquasurf® countertop.

A solid surface integral lavatory bowl and countertop with raised edge are standard.

Great reasons to Count On Us.
