

WILLOUGHBY

1900 Series

Exceed the specification
with the premier all-in-one.

A true space maximizing unit, the compact and versatile 1900 Series patient care unit features a freestanding, fully welded type 304 stainless steel cabinet and a fixed 14-gauge stainless siphon jet toilet rated to support static loads up to 5,000 pounds. Its non-porous solid polymer panels and Aquasurf® solid surface countertop make it ideal for ICU/CCU rooms, or anywhere space is at a premium.

Stainless steel cabinet.

The 1900 series features a fully welded, type-304 stainless steel cabinet.

Solid polymer panels.

The cabinet's exterior is overlaid with solid polymer doors and panels.

Stainless steel toilet.

The fixed siphon jet toilet has been tested to withstand a 5,000 lb. static load.

Aquasurf® countertop.

A solid surface integral lavatory bowl and countertop with raised edge are standard.

Great reasons to Count On Us.
