

WILLOUGHBY
2100 Series

Exceed the specification
with the premier all-in-one.

With an array of modified lengths and ADA accessibility, the extremely versatile 2100 Series patient care unit efficiently utilizes available space. Its multitude of standard features – including non-porous exterior overlays and Aquasurf® solid surface countertop – make it the most adaptable bedside unit on the market.

Stainless steel cabinet.

The 2100 series features a fully welded, type 304 stainless steel cabinet.

Solid polymer panels.

The cabinet's exterior is overlaid with solid polymer doors and panels.

Stainless steel toilet.

The white finished toilet has been tested to withstand a 2500 lb. weight capacity.

Aquasurf® countertop.

A solid surface integral oval lavatory bowl and countertop are standard.

Great reasons to Count On Us.

The highest quality stainless steel and solid surface plumbing products, at a competitive price.

Get an exceptional customer experience by always having a skilled person available on the phone to resolve your issues or questions.
