

WILLOUGHBY

## 2600 Series

Exceed the specification  
with the premier all-in-one.

The 2600 Series is built with a circular front for a reduced footprint. With a freestanding, fully welded type 304 stainless steel cabinet and a 30" width, this hinged half round assembly gives your customers the flexibility of enclosing or revealing a fixed toilet.

### Stainless steel cabinet.

The 2600 series features a fully welded, type 304 stainless steel cabinet.

### Solid polymer panels.

The cabinet's exterior is overlaid with solid polymer doors and panels.

### Stainless steel toilet.

The white finished toilet has been tested to withstand a 2500 lb. weight capacity.

### Aquasurf® countertop.

A solid surface integral oval lavatory bowl and countertop are standard.

### Great reasons to Count On Us.

The highest quality stainless steel and solid surface plumbing products, at a competitive price.

Get an exceptional customer experience by always having a skilled person available on the phone to resolve your issues or questions.
