Thermofoil Simulated Wood Chart

Thermofoil is an extremely durable and esthetically pleasing finish for your Willoughby Bariatric Lavatory (BHS-3123). This high performance laminated material has sealed non-exposed seams and resists scratching, marring, stains, and impact while offering a softer edge profile and curved lines that eliminates sharp corners. Choose from the three finishes below.

Amati Walnut

Kasei Maple

Majestic Walnut

Note: Swatch colors may differ from actual Thermofoil colors. Contact your rep for samples.
