

HBBD Series Hose Box with Wall Flange and Boiler Drain Valve

Recommended Specifications

HBBD Series Hose Box with Wall Flange and Boiler Drain Valve shall be: Willoughby Model No. **HBBD-**_____ (Select from model number and options list on next page)

Hose box and wall flange are fabricated from Type 304 stainless steel with exposed surfaces polished to a satin finish. The wall flange shall mount flush to the supporting finished wall.

Standard equipment shall include:

- 1/2" brass boiler drain valve(s)
- 2" M.I.P. drain

The valve and stop feature tamper-resistant lock-shield bonnets and replaceable cartridges containing all wearing parts.

Supply inlets are 1/2" F.I.P. and outlets are 3/4" M.G.H.T.
