Envy Lavatory Systems

Elegant and durable, Envy Lavatory solid surface systems provide a stylish option for multi-user applications.

Patent pending

Solid Surface Design

Each system is cast from AquaSurf®, a special blend of polyester and acrylic resins. The deck and backsplash are cast as one unit, eliminating unsightly seams and joints.

Stainless Accents

Drain grates and bottom enclosure fabricated from heavy-gauge stainless steel.

Extremely Flexible

With the ability to accommodate almost any deck faucet, Envy is the perfect solution for any public restroom or university dormitory.
